

Aix Célony

In a tremendous environment, only 4km from the city center, this comtemporary and provencale style house of 300 sqm fits particularly well its 3000 sqm land.

On one floor, the drawing room with tv room and dinning room is a total of 75sqm. The open kitchen has its cellar and laundry room.

There are 7 bedrooms with terrace and each one has its own bath of shower room.

One pergola shades the main and large terrace, south exposure, facing the swimming pool, grass and far end the centenary pine and oak little wood.

A guardian house, independant and very antic with its private terrace has been renovatod into a charming one bedroom apartment with kitchen and drawing room.

Actualy used as a bed and breakfast with excellent benefits, it equally fits for a big family looking for a peacefull place to live nearby the city center and a very easy acces to Aix TGV.

Ref.: 011002VM Price: 1225000 €
