

Fisherman's house, Cassis

Cassis, Fisherman's House

Rare for sale, in Cassis, this old fisherman's house has been successfully renovated and offers 55sqm on 2 levels plus a mezzanine. The nice wooden door invites you in the living space with kitchen and dining room. The timbered ceiling and old stairs gives the ensemble the unbeatable charm of the place. At 1st floor, there is one bedroom or drawing room and a bathroom. A second wooden stair, recently built, brings you into a second floor with a mezzanine overlooking the roofs.

All has been thought for a maximum use and the result will seduce lovers of old places with such a warm atmosphere.

At a few steps of this typical port, it really is a very rare opportunity. It can be use for seasonal rentals that makes it a very good investment.
