

### **Le Corbusier, Marseille**

Living the "cité radieuse" of famous architect « Le Corbusier » is a must. In this historical monument, this apartment for sale is a "duplex-montant of 190 m<sup>2</sup>.

It is in fact two Type E apartments that have been combined in a unique one and offers an exceptional living space.

The high ceiling have been preserved as some others original accommodations. The 45 m<sup>2</sup> living area is originally preserved. The stairs in its original form brings to the bedrooms.

There are one large bedroom with bathroom, two small bedrooms for the children still separated by the original blackboard. It all opens onto terraces.

This flat is a total success. The architect in charge of the renovation has perfectly combined the essential original accommodations in a contemporary style more adapted to a modern life.

Rare for sale, this apartment will seduces unconditional lovers of this fabulous architecture which still offers to the habitants a quiet and peacefull way of life.
