

Splendid renovation

Rue Paradis, Marseille

In a very nice old style building, this splendid appartement of 95sqm for sale has been fully and tastefully renovated. The vast entrance opens a large drawing room of 35sqm (marquetry floor, marble chimney and high ceilings). A lovely and peaceful terrace makes it more enjoyable. The 2 large bedrooms share one comfortable bathroom. The kitchen is useful and the apartment has a cellar and a spare room. Very elegant, mixed of ancient and modern style, it is located in a very demanded and wealthy area, close to the facilities.

A garage is possibly for sale.
