

Middle ages tower and chappel, Isle-sur-Sorgue

It is one of these very rare opportunity to find such an extraordinary place,

either for a living or a prestigious commercial use.

A tower from the 12th century, house of the actual owners, Antics sellers, who put their passion in it, with about 300sqm, huge volumes, and a 360° overlooking view from the terrace on top of it . The Artist studio is 140 sqm and has a construction permit to be added .the flat garden of 1400 sqm can easily fill a pool and pool house and ends with a chapel of the 11th century .its 100sqm are to be renovated and give this ensemble the exceptionnal charm of the middle aged hamlet.

This asset is the place for a project which possibilities are enormous in this region where Antics and old stoned houses are the reputation. Ref: 120902DP Price: 1160000€
